

## Persuasive letter #1

Write me a letter persuading me to believe one of the following:

1. Why your sports team is better than another team
2. Why aliens exist or not
3. Why you will pass AP English this year
4. Why Marvel is better than DC or the other way around
5. Why you should be allowed free dress instead of uniforms

Remember to address the opposition. This is called writing a counterclaim.

Write at least 250 words.
