**TEST** : September 11 ( Syllables **πα - πι** ). They have to recognize them.

When you see (i) you read ee

**SPELLING TEST**( Monday Sept. 18<sup>th</sup> ): **α , π , πα , ι , πι** ( I will ask them in different order to write them), You can help them learn them, reading to them as ( a , p , pa , ee , pee )in English.

Dear students and parents the kids have to write **always** their name in Greek (last name only if they can). They can see it from their red folder.

**On Monday, September 18th place the HW in their RED folder so I can check it.** (Greek Language) . I will check them and I will put them back in their backpacks when I have them ready. Please return the Homework ready on time because if you are late it will have impact in their grade. The best time for the kids to complete the HW is from Friday to Sunday because I have to teach them first so they can understand what they are doing. If a student for a reason doesn't come to school on Monday, he/she will give it to me the next day (without an impact in the grade). If it is easy, please email me so no forget to check the folder. Always write your kid's name and section in the email.

If you have any questions please feel free to email me
