Homework

Please do not work ahead on homework assignments. Failure to complete homework will result in points deducted.

Reminders

Please have your child use Reflex Math to master and reinforce their fact fluency. The 3rd Grade curriculum depends on a strong foundation in multiplication and division facts.

Extra Practice

If a scholar struggles with a lesson, they can review the daily lessons on HMH. Assigned lessons on HMH are not homework and will not be graded. Scholars can also visit Cinemath portal <http://cinemath.archimedean.org>, under 3rd grade American Math section **3A** for all sections.

Notes

Scholars should use a separate sheet of paper if they need additional space. Packets submitted after the due date will result in a lower grade. Please feel free to contact me with any questions or concerns at diana.charaf@archimedean.org.
