

UNDER COVER TURKEYS

Dear Families,

WE NEED HELP! We love turkeys, but we fear that many of them could become Thanksgiving Dinner if we don't act fast! You have been selected to be part of a Special Operations Team (Family Bureau of Investigation) to create a special disguise for a beloved turkey!

Your child (the Operations Team Leader), has brought home a paper turkey. Please work together to create a disguise for him. The more he DOES NOT look like a turkey, the better! We want to keep our turkeys safe and it is up to YOU make that happen! Use whatever materials you choose for your disguise (buttons, fabric, glitter, paper, cereal). Maybe you could make your turkey look like another animal, person, or thing! Be creative!!! Please return your child's Under Cover Turkey to school by _____.

Thank you in advance for your participation in the Special Operations Team! The fate of our turkeys depends on YOU!
