

## **GBE Trial 2 – Proposal**

Write a proposal using the Fairchild Form <https://fairchildgarden.org/high-school-challenge-6/> the form MUST be downloaded to make it work!

1. Work in the same groups as you worked during Trial 1. Students with special responsibilities (Twitter, watering, temperature, data, etc.) work as one group in each class.
2. Research/discuss what is your question/problem/hypothesis you want to work on during Trial 2.
3. Complete the form and submit. All participating students (names) must be listed on the email.

### **Fairchild Challenge Trial 2**

- Complete fillable form including testable hypothesis, identification of control and variable, materials, and brief explanation of methods in your experiment

**DUE Monday 27<sup>th</sup> at 23:59**
