A Note From Ms. Varela

Students have been given extra resources to practice and review the curriculum covered in class.

This is optional, not graded.

- HMH interactive student edition. In HMH, click the 3 line guide at the top left and select Discovery to access all the book chapters.
- Cinemath.
- Reteach extra practice, available in the archie account, in the resources tab.

Weekly newsletter available in archie.sis

Homework

Scholars need to bring the journals back to school. This week we will begin **Chapter 13**.

In chapter 13 the students will learn to estimate and measure the length of an object to the nearest inch, foot, yard, centimeter or meter by selecting and using an appropriate tool.

Monday IXL GG1 Measure length in inch cubes

Tuesday IXL GG2 Measure using an inch ruler

Wednesday IXL YXL Add and subtract lengths in inches

Thursday IXL GG5 Which customary unit of length is appropriate? inch, foot or yard.

Friday IXL GG6 compare length customary unit.

IXL GG7 customary units of length, word problems
