Εργασία για το σπίτι (Homework)

Hello Students and Parents. This week we will continue with subtraction using the “horizo” method (two steps, reaching the nearest ten first) focusing on the Greek pronunciation. We will move gradually to bigger numbers. Cinemath videos are uploaded and available. Use all of them as a guide.

<https://cinemath.archimedean.org/> → (login with archie username and password) → click on “The AA Cinemath Portal” → Grade 1 → 1E → Greek Math → Addition → “Horizo” method

Practice with your children for the best results.

Students have to return the completed homework in their red folders by Thursday Feb 22.

If you have any questions or concerns, please do not hesitate to communicate with me:

Thank you.
