This week in Science class

- Our little scientists have been busy diving into the exciting world of the five senses. This week, we'll continue to explore how we experience the world around us through our five senses!
- Students will embark on a nature walk around the school. This outdoor adventure will allow the children to engage their senses as they observe, listen, touch, and smell the wonders of nature.

Science words to know

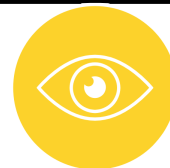

Sight - Seeing with your eyes.

Hearing - Listening with your ears.
