WHEN AND WHERE:

As part of MDCPS observation of this nationally recognized program, I hereby give permission for my child to participate in National Take Our Daughters and Sons to Work Day. My child will be shadowing and participating in activities that allow them to connect their classroom instruction to the world of work, discover the power of education, and envision future careers. This year's theme aims to create a ripple effect, where the inspiration gained by the youth transforms into a force for positive change, innovation, and empowered workforce.
