

Greek Math

Dear scholars,
We have already started our review for the upcoming FAST exam in MATH.

You have to do **every day the assigned HW**. The total week's HW grade is the week's average HWs' grades.

Please, make sure that you come every day well prepared to school, because the HW will be checked every morning.

Δευτέρα	5/6	HW: Lesson 5 , "Interpreting Remainders in Word Problems", pages 39-42 , it will be graded in the classroom on 5/7 .
Τρίτη	5/7	HW: Lesson 6 , "Factor Pairs", pages 49-53 , it will be graded in the classroom on 5/8 .
Τετάρτη	5/8	HW: Lesson 7 , "Number Patterns", pages 59-61 , it will be graded in the classroom on 5/9 .
Πέμπτη	5/9	HW: Lesson 8 , "Understanding Place Value for Whole Numbers", pages 66-70 , it will be graded in the classroom on 5/10 .
Παρασκευή	5/10	HW: Lesson 9 , "Comparing and Ordering Whole Numbers", pages 76-80 , it will be graded in the classroom on 5/13 .

BOOK: Florida B.E.S.T Performance Coach, 4

➤ **Reminder:** Make sure that you bring every day your book to school.
