June 6, 2022- June 8, 2022

Announcements & Reminders

- No Homework
- **Wednesday, June 8th - Early Dismissal at 11 AM**
- Summer math Assignment is on page 2.
- Please make sure summer assignment is completed by the due date.

This Week in MS. Boxer's Class

Dear Scholars,

Happy end of the school year! I am so very glad I was your teacher and saw you all grow in so many ways.

This summer, go on bike rides, spend time exploring the outdoors, read awesome books, practice those math facts, and spend time with your friends and families. Most importantly, have lots of fun! I will miss each and every one of you. Have a wonderful and safe summer!

Love,
MS. Boxer 😊

Monday

Summer Dress-up Day

Pizza and Donut Picnic

No Homework

Tuesday

Favorite Sports Team Day

No Homework

Wednesday

Last Day of School

11 AM Early Dismissal

No Homework

Thursday

No School

Friday

No School

Keep Math on Track with Archimedean Academy's Math Summer Assignment

Research has shown students often regress in their academic competencies over the summer. Completing math activities will help your child maintain the growth that occurred during the school year. To help beat the *Summer Slide*, scholars have been assigned a Math SumDog Summer Assignment.

Incoming Third, Fourth, and Fifth Grade Scholars will be responsible for completing 1,500 questions. The completed assignment is due on Tuesday August 16, 2022 by 8:00 p.m. and will be worth a Quiz Grade.

Grading Scale:

Questions Completed

Score

1500 or more

A+ - 100%

1499 – 1300

A - 90%

1299 – 1100

B - 80%

1099 – 900

C - 70%

899 – 700

D - 60%

699 or less

F - 59%

SumDog is available on:

- SumDog website: www.sumdog.com
- iPads and iPhones: search for SumDog in the App Store
- Android tablets and phones: search SumDog in the Play store

Wishing you a great summer break!

Sincerely,

The AA Math Team
