

2nd Grade

American Math Homework Week 05/26 – 05/30

A Note From Ms. Varela

This week, our scholars will continue practicing math skills to prepare them for 3rd Grade.

The Summer Assignment for incoming 3rd graders will be available on Archie Website on June 2nd. The Summer assignment will be completed using Sumdog. The Sumdog login credentials will be stapled on the green folder.

In the past two weeks, we have seen an increased number of behavior incidents. Please remind your scholars that behavior will be graded until the last day of school.

All parents have been notified of behavior issues. Students who do not follow school rules, will not participate in the 2nd Grade Party scheduled for May 30th if behavior issues persist.

Homework

The homework is due Monday, June 2nd.

Monday	Memorial Day
Tuesday	HMH: Solve One- and Two-Step Problems Involving Lengths HMH: Round Numbers to the Nearest Ten
Wednesday	HMH: Represent Data HMH: Read and Write Numbers to 1,000
