Class Sec. _____

Homework – Intro to Philosophical Reasoning

Instructions: Please Complete the following questions. Use the instructions in each section to answer to the best of your ability.

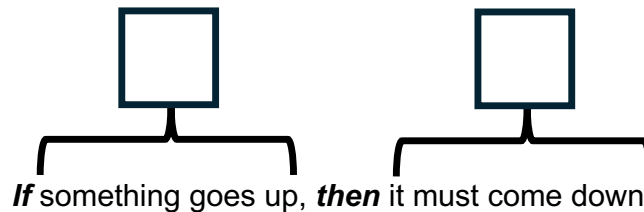

Checkmark

Instructions: Place a checkmark next to each sentence you believe is a conditional statement. Some sentences may not be in formal "if-then" form but can be rewritten as a conditional statement.

1. ____ If the sun sets, it will become dark.
2. ____ I went to the store because I needed groceries.
3. ____ Whenever you call me, I will answer.
4. ____ She was happy because she passed her exam.
5. ____ If the weather is nice, we will go to the park.
6. ____ The concert starts at 7:00 PM.
7. ____ As long as you follow the instructions, the recipe will work.
8. ____ He jogged for an hour before breakfast.
9. ____ Unless you hurry, we'll be late for the movie.
10. ____ She enjoys reading books in her free time.

Label

Instructions: Write the letter **A** or the letter **C** on top of the words in the phrase that are either the antecedent or the consequent in the sentence below.

Read and Answer

Instructions: For each of the following sentences, use the space provided to identify whether the argument is based on **ETHOS** (appeal to character or reputation), **LOGOS** (appeal to logic), or **PATHOS** (appeal to emotions).

1. _____ Since my little brother must start school before me, I should let him shower first.
2. _____ A famous doctor says that eating an apple a day will make you live a long life.
3. _____ He was so sad; we should let him have another chance.
4. _____ Nearly 25% of all car accidents are caused by drivers using cell phones while driving.
5. _____ During the race, think of the support from your friends and you're guaranteed to win!
