Chapter 1: Place Value to 10,000

Dear Family,
During the next few weeks, our math class will be learning to read and write numbers through ten thousand. We will also plot, order, and compare numbers to ten thousand.

Vocabulary:
- **expanded form** A way to write numbers by showing the value of each digit 1,969 = 1,000 + 900 + 60 + 9.
- s**tandard form** A way to write numbers using the digits 0 to 9, with each digit having a place value. 1,969 is in standard form.
- w**ord form** A way to write numbers by using words 1,969 = one thousand, nine hundred sixty-nine
