Όνομα (full name): _____

Τάξη (class): _____

Εργασία για το σπίτι (Homework)

Hello Students and Parents. Students will have to be able to solve the additions and also read them in Greek. Use the links below as a guide for the pronunciation:

<https://cinemath.archimedean.org/> → (login with archie username and password) → click on “The AA Cinemath Portal” → Grade 1 → 1A → Greek Math → Numbers → “Twin numbers up to 10” & “twin numbers up to 20”

Practice with your children for the best results.

Students have to return the completed homework in their red folders by Friday 4th.

If you have any questions or concerns, please do not hesitate to communicate with me:

dimitrios.meliopoulos@archimedean.org

Thank you.
