**SPELLING TEST( Monday October 14 ):** **κ , λ , κα , λα , καλά**

( I will ask them to write them in Greek in different order), You can help the kids learn them, by reading to them as ( κ , λ , κα , λα , καλά ) in English.

On the Homework the scholars have to write **always** their name in Greek (last name only if they can). They can see it from their red folder.

You will have to print the Homework 7, complete it and place it in their Red Folder (Greek Language) on Monday, October 14. ( I am checking the Homework always on the DUE date and I draw a Red Heart). If a student for a reason is not coming to school on Monday, he/she will give it to me the next day (without an impact to the grade). If it is easy, please email me so I don't forget to check the folder.

If you have any questions please feel free to email me.

Please always write your kid's name and section in the email.
