2nd Grade
Greek Math Homework Week 10/14-10/18
Name:_____Class section:__

Homework

Homework due Monday, Oct. 21st.

This week, scholars will be learning new vocabulary and new methods for addition two two-digit numbers.

We had our first test and all my students did amazing.

Please practice with them the new numbers with greek letters.

Thank you for your help and your support.

Όνομα :

Ημερομηνία :

Παράδειγμα - Example

1. $36 + 18 = (36 + 4) + (10 + 2) = 40 + 12 = 52$
    4     $\cdots$
          $10 + 2$

2. $78 + 25 = (78 + 2) + (20 + 3) = 80 + 23 = 103$

$63 + 19 =$

$87 + 25 =$

$96 + 38 =$

$53 + 39 =$

$69 + 48 =$

Please practice with your students

60 - Εξήντα

70 - Εβδομήντα

80 - Ογδόντα

90 - Εννενήντα

100 - Εκατό

Homework is due on Monday 10/21-24

Thank you
Ms. Leua
