SEESAW : Complete Activity 1 (Due date: 10-28-2024) Log in with the QR code which was placed in the red folder, click your name on the left corner, click Greek Language , click "Activities" on the right side. See the activity 1 and click Add Response to do it. Follow the instructions .

In the Homework the scholars have to write always their name in Greek (last name only if they can). They can see it from their red folder. You will have to print the Homework 10, complete it and place it in their Red Folder (Greek Language) on Monday, November 4. (I am checking the Homework always on the DUE date and I draw a Red Heart). If a student for a reason is not coming to school on Monday, he/she will give it to me the next day (without an impact to the grade). If it is easy, please email me so I don't forget to check the folder.

If you have any questions please feel free to email me.
