

### **Reminder to 8<sup>th</sup> Grade Geometry Students**

**As said in your class, you will have a test in Geometry on next Monday, 11-18-24.**

**Topic: Isosceles Triangles (Isosceles triangle theorem, the converse of the theorem, the corollaries and applications).**

**Resources: Home work assignments, cinemath, class room notes and online Text Book.**

**Good Luck,  
Mr. George.**
