Hello Students and Parents. This week we will practice the Greek Reading and Pronunciation of all known exercises so far. All the cinemath videos should be uploaded by Monday afternoon. Use all of them as a guide for the pronunciation:

<https://cinemath.archimedean.org/> → (login with archie username and password) → click on “The AA Cinemath Portal” → Grade 1 → 1A → Greek Math → (All tabs) → (All lessons)

Practice with your children for the best results.

Students have to return the completed homework in their red folders by Thursday Nov 21.
