

M9X - Advanced Placement Statistics - Chapter 2 Review Problems

January 15, 2025

Dear Students,

Please carefully study sections §2.1 through §2.4 of your textbook. You can find a comprehensive list of all the concepts and terms introduced in these sections on **pages 83 and 84**. You should fully understand all of them.

Once you finish studying, proceed by answering problems: 2.74, 2.76, 2.78, 2.80, and 2.82. Working on these problems should also help you in being more prepared for tomorrow's assessment that includes Chapter 2.

Your work should be uploaded electronically and not turned in by email or on paper.
