- coin
- dime
- nickel
- penny
- quarter
- cent sign ¢
- dollar sign \$

A Note From Ms. Varela

This week, our class will begin Chapter 11, Money. Students need to recognize the value of each coin in order to solve problems involving money.

Students need to bring the following coins: quarter, nickel, dime and penny. Also a dollar coin, if you have one available. Students need to bring the coins in a plastic bag labeled with their names.

Parents please note that the American Math Homework page no longer needs to be printed, signed and returned. Printing is optional.
