

Hello all,

For homework, please complete **Chapter 4, Lesson 2 Review questions 1-6 on page 95** in the eBook. Remember to start a new document (in MS Word, Google Docs, GoodNotes, etc.), answering in complete sentences. For multiple choice questions, this includes rewriting the original questions as well as the letter and response for the correct answer. Please remember to include the following information at the top of the document:

Name

Date

Section

Assignment

Also do the notebook entries for **Chapter 4, Lessons 1 and 2** if you haven't already, and record the **Word Wall** definitions **in your science notebook**. Let me know if you have any questions.

Best,

MF
