Εργασία για το σπίτι (Homework)

Hello Students and Parents. This week we will continue with horizo addition while also practicing with shapes and number comparisons. We will focus on the Greek Pronunciation. **Students need to be able to read the exercises in Greek.** New cinemath videos are uploaded. Use all of them as a guide.

cinemath.archimedean.org/ → (login with archie username and password) → click on “The AA Cinemath Portal” → Grade 1 → 1A → Greek Math → Addition → “Horizo” method with double digits

Practice with your children for the best results.

Students have to return the completed homework in their red folders by Thursday Jan 30.

If you have any questions or concerns, please do not hesitate to reach me at:

dimitrios.meliopoulos@archimedean.org

Thank you.
