

Hello all,

For homework, please read **Chapter 7, Lesson 2** and do the associated notebook entry, including the **Word Wall definitions and answer all seven prompt questions on page 150, answering in complete sentences.** As a reminder, notebook entries go in your **science folder** and are not to be turned in via archie. Also prepare yourself for a possible reading quiz on 7.1 material. Let me know if you have any questions.

Best,

MF
