

Hello all,

For homework, please start reading **Chapter 5, Lesson 2** and do the associated notebook entry, including the following with the date at the top:

Word Wall definitions

The first prompt question on page 106

The first three prompt questions, Read the Question, Explain, and Apply It, on page 107

As a reminder, notebook entries go in your **science folder** and are not to be turned in via archie. Also prepare yourself for another possible reading quiz. Let me know if you have any questions.

Best,

MF
