

Dear Students and Parents,

Equal Sharing!!!

This week's homework focuses on sharing in halves and fourths. During the next few days, our math class will be exploring fractions. You can expect to see homework that provides practice identifying and naming, halves and fourths.

Parents, please download, print and staple this packet. Students should do one page of this packet each evening. It should take them 5 days to complete the packet. They should use the boxes below to check off each day they do the homework. When the packet is complete, they should put it in their green folder and take it to school on Monday February 17, 2025.

Additionally, 20 minutes on Freckle is required each week.
Please check green folders for Freckle.com login cards.

Warmly,
Kadisha Mills, Ph.D.
