

Hello all,

The opportunity to retake the Geologic Time exam has been moved to lunch time tomorrow, Tuesday, February 11. Please let me know if you have any questions.

Best,

MF

To those of you who were concerned about your grades on our last exam, on Geologic Time, I will offer an opportunity for a retake during lunch on Monday. Please advise ahead of time if you are interested so I can make sure to print enough copies of the exam. If not, I'll commit your original grades to the Gradebook. Let me know if you have any other questions. Have a great weekend!

MF

To those of you interested in retaking our last exam, on Geologic Time, to boost your grade, I will offer an opportunity for a retake during lunch on Monday. Please let me know ahead of time to make sure that I print enough copies.

For homework, please read **Chapter 7, Lesson 2** and do the associated notebook entry, including the **Word Wall definitions and answer all seven prompt questions on page 150, answering in complete sentences.** As a reminder, notebook entries go in your **science folder** and are not to be turned in via archie. Also prepare yourself for a possible reading quiz on 7.1 material. Let me know if you have any questions.

in the eBook. Use the previous homework assignment's link to upload. The Word Wall definitions and prompt questions that I assigned you to do should be completed as a notebook entry. For the homework, remember to start a new document (in MS Word, Google Docs, GoodNotes, etc.), answering in complete sentences. For multiple choice questions, this

includes rewriting the original questions as well as the letter and response for the correct answer. Please remember to include the following information at the top of the document:
