

Plants for our GARDEN

Hello Kinder Families!

Soon, we will be working on our school garden for the Fairchild challenge. Scholars will be working together to help set up, plant, and care for the garden. They will each receive a project grade for their participation and hard work in our garden. As part of this grade, we are asking that each scholar bring in a plant which they will help to place in the garden.

TO SIGN UP FOR THE PLANT YOUR CHILD
WILL BE BRINGING IN, PLEASE VISIT THE
SIGNUP GENIUS LINK BELOW:
