

## **Reminder to 8 th Grade Geometry Students**

This Coming Wednesday ,**3-26-25** you all will have a Test in Geometry.

### **Topic:**

**Rotations, Circles and Arcs, Areas of Circles and Sectors.**

**Multiple choice and short response questions**

Resources: On-line test book, **Big Ideas: Lesson 4.3 (Rotations)**

**Lessons 10.1,10.2 and 10.3 (Circles)**

**HW-42, 46 and 47.**

**Also to review Rotations you may go through the answer key packet I posted on Transformations.**

Good Luck,

Mr. George.
