

## Homework for March 31 - April 4

**\*\*\*ALL STUDENTS INCLUDING READING PLUS STUDENTS AND STUDENTS IN INTENSIVE ARE TO COMPLETE THE ASSIGNMENT BELOW ONLY:**

**Monday - Thursday** - Complete the TKAM review questions posted in Google Classroom. All submissions due by Thursday evening. These questions will be worth a quiz grade.

A warning: Anyone making the TERRIBLE CHOICE to use CHAT GPT to answer these questions will get a zero on this quiz. No questions asked. Your answers should reflect EXACTLY what has been discussed in class, and our annotations. They should be in YOUR OWN WORDS. Please do not put me in the terrible position of giving you a zero. I rather you ask a friend, and get additional support that way, than to google search your answers. I have enabled a plagiarism checker. Not only will you get a zero, but there will be a referral to administration for a Saturday Detention. I mean it!
