

3rd Grade American Math HW

Chapter 18: Compare Fractions and Identify Equivalent Fractions

Dear Family,

During the next few weeks, our math class will be learning more about fractions. We will learn how to compare fractions, order fractions, and find equivalent fractions. You can expect to see homework that provides practice with fractions.

Vocabulary

Equivalent fractions: Two or more fractions that name the same amount.

Greater than ($>$): A symbol used to compare two numbers when the greater number is given first.

Less than ($<$): A symbol used to compare two numbers when the lesser number is given first.
