

## Unit 19 - Homework 5: Plato's *Euthyphro* Dialogue (1)

In order to answer the following questions, read pages 29–31 in Unit 19.

1. According to Socrates, why did Meletus think that he corrupts the youth? (See page 30.)
2. According to Euthyphro, what does the difference between justice and injustice have to do with whether or not a killer should be punished for killing someone? (See page 31.)

3. Why did Euthyphro think that his father is murderer? (See page 31.)
4. Why did Euthyphro's family think that it was impious for him to prosecute his employee's killer for murder? (See page 31.)
5. According to Socrates, if he is Euthyphro's student, then Socrates should not be punished more harshly than Euthyphro. Why did Socrates think so? (See page 31.)
