

CLASS NEWS

MS. BOXER'S SCIENCE CLASS

Week Of APRIL 21-25

OUR LEARNING

We are learning all about plants, their needs and life cycle. We will also be learning about animals and how they are alike and different.

We will learn how plants grow, the parts of the plants, and how they are alike and different.

This week we are not having science class due to STAR Renaissance Testing, but please complete the homework to review what we have been learning in class.

Thank you,
MS. BOXER 🧐
