Other ones (multiple) came banged up, there's an accessory, topper shell storage thing that came out this past Christmas, but we can't use it. It would high-center and wobble on top of the smaller crate. It might be a problem with resale, too. They'll refund shipping if we have to send it back. We still settled for a condition that was surprising considering the cost.

Hello all,

For homework, please read **Chapter 11, Lesson 1**, starting on **page 239 in the eBook and record the word wall** definitions in your notebook and do **Lesson Review Questions 1-7 on page 235 and** submit for homework. Remember to start a new document (MS Word, Google Docs, GoodNotes, etc.), answering in complete sentences. For multiple choice questions, this includes rewriting the original questions as well as the **letter and complete response** for the correct answer.
