1st Grade Greek Language

Study Guide

On Tuesday, May 20, 2025, students will take a test. For the test, students will be given specific words and asked to create simple sentences by answering the question: “Τι είναι αυτό;” /Ti ine afto?/ – “What is this?”

To answer correctly, students must:

- Use the correct pronoun (**αυτός, αυτή, αυτό**),
- Use the verb “to be” in Greek (**είναι**),
- And choose the correct indefinite article (**ένας, μία, ένα**) based on the gender of the noun.

Please review the examples provided with your child, as this structure is a fundamental way to build basic sentences in Greek.
