## Εργασία για το σπίτι (Homework)

Hello Students and Parents. This week we will focus on subtraction and we will review the “horizo” method. We will also review the shapes. Cinemath videos in Greek are uploaded. Use all of them as a guide. **Make sure that the students are able to log in cinemath through their ipads.**

cinemath.archimedean.org or the ipad icon → (login with archie username and password)  
→ click on “The AA Cinemath Portal” → Grade 1 → 1A → Greek Math → Subtraction  
→ Horizo Method

Practice with your children for the best results.

Students have to return the completed homework in their red folders by Thursday May 22.
