

The Meaning of 5th Grade - Essay

5th grade is an important year to students as it is the last year of elementary school.

Write a 5 paragraph essay *on paper* that discusses:

How was your year? How does it compare to what you initially thought it was going to be? What lessons did you learn? What is the best and worst part about being a 5th Grader? What are 5 fun events you had here? What will you miss when you leave elementary? What advice would you give to someone entering 5th grade next year?
