

Welcome Letter

Dear Families,

I am very excited to welcome you and your children to 3rd grade Greek Language this school year! My name is **Ms. Elizabeth**, and I am thrilled to begin this journey together.

I earned my degree in **Preschool Education** from a university in Greece, where I developed a deep passion for teaching young learners and helping them grow academically, socially, and emotionally. Having studied and worked in both Greece and the United States, I bring a rich understanding of Greek language and culture that I look forward to sharing with my students.

This year, we will explore the Greek language in fun, engaging, and meaningful ways. My goal is to create a classroom environment where every child feels supported, encouraged, and inspired to learn. We will read stories, play language games, practice speaking and writing, and celebrate our progress along the way.

I am truly happy to be with 3rd grade this year, and I can't wait to get to know each student's unique personality and strengths. Together, we will work hard, have fun, and make wonderful memories.

Thank you for entrusting me with your child's education. I look forward to a great year ahead!

Warmly,

Ms. Elizabeth
