# Notebook Decoration Instructions

Decorate both covers (front and back) of your Science Notebook. You must make sure that the decoration includes the following:

1. The title "Science Notebook" on the front cover.
2. Your full name, your section, and the school year on the front cover.
3. At least, nine (9) pictures or sketches of your scientific interests.
4. At least, three (3) scientists you admire the most (picture or sketch and name)
5. At least, three (3) scientific quotes along with the name of the scientist.

Be artistic! Leave your imagination free to create an artwork based on science, that you will enjoy looking at for the rest of the school year!

After you have completed your work, laminate both covers (front and back) of your Science Notebook, using clear packing tape, to protect your work.
