# First Grade American Math Homework

Hello Scholars and Parents. We will slowly begin Chapter 1 this week which focuses on counting forwards and backwards. I will focus on reviewing key concepts and vocabulary words, reviewing the 120 chart, and helping scholars identify numbers.

We will begin baseline diagnostic testing on the various instruction platforms. Please make sure scholars turn in or bring their headphones to school. All new families please be on the lookout for an email with the Archimedean i-Pad contract.

## Vocabulary

- Count
- Counting forwards
- Count backwards
- More
- Less
- Before
- Between
- After
- Number line

## Notes

Students **MUST** prove and show all their work. If additional space is needed, please feel free to attach lined paper to the homework packet. **Failure to show your work will result in a lower grade.** Please complete the homework to the best of your abilities.

Parents please initial next to each day acknowledging your child has completed the assigned homework. **Homework will be checked daily in class. Completed homework packets are due on Monday August 25<sup>th</sup>, 2025 for a grade.**

<u>Monday</u>	August 18 <sup>th</sup> –	Math About Me	_____
<u>Tuesday</u>	August 19 <sup>th</sup> –	Math About Me	_____
<u>Wednesday</u>	August 20 <sup>th</sup> –	Math About Me	_____
<u>Thursday</u>	August 21 <sup>st</sup> –	120 Chart	_____
<u>Friday</u>	August 22 <sup>nd</sup> –	Before & After Worksheet	_____

### **Directions for downloading American Math Homework**

1. Go to <https://sis.archimedean.org/> to find the first grade American Math homework assignment.
2. From the Menu, select Homework.
3. Underneath Homework, choose Elementary.
4. From elementary, select your child's grade (first grade).
5. Now, find and choose your child's section.
6. There, you will see the homeworks posted for your child's section.
7. Choose and download the American Math homework packet for the week.

### **Directions for completing Math About Me**

8. To complete the assignment, have scholars complete the worksheet containing mathematical questions about themselves and color the included pictures.
9. In the center, they can draw a picture of themselves or glue a picture of themselves (whatever's easier).
10. After the scholar completes the worksheet, glue the worksheet onto colored cardstock or construction paper.
11. Have scholar color the head and feet.
12. Cut the colored head and feet from the paper.
13. Glue the head to the top part of the math about me activity
14. Glue the feet to the bottom part of the math about me activity.
15. See example on next page

# Example

**MATH ABOUT ME**

I am 25 years old

$$\begin{array}{r} 21 + 4 = 25 \\ 13 + 12 = 25 \\ 2 + 23 = 25 \\ 9 + 16 = 25 \end{array}$$

I was born on 03 / 10 / 2000  
month date year

I have two paw prints pots.

There are 5 people in my family.

2 adults  
3 children

$$\begin{array}{r} 2 + 3 = 5 \\ \text{adults children total} \end{array}$$

My favorite number is 5

odd  even

Take	Give
0	5

I have lost 12 teeth so far.

# Math About Me

Numbers, numbers all around,  
Everywhere they can be found.

Numbers tell how old I am.  
And how many people in my fam.

How much I weigh and just how tall,  
Where I live, and that's not all!

Numbers are a part of me,  
money, time, and history.

When to wake up and when to eat,  
What size shoes to buy for my feet.

How much money something costs,  
A number to call if my dog gets lost.

I don't know where I would be,  
If numbers weren't a part of me!

# MATH ABOUT ME

I am \_\_\_\_\_ years old

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

I was born on

\_\_\_\_\_ - \_\_\_\_\_ - \_\_\_\_\_  
month                  date                  year

I have \_\_\_\_\_ pets.  
(number word)

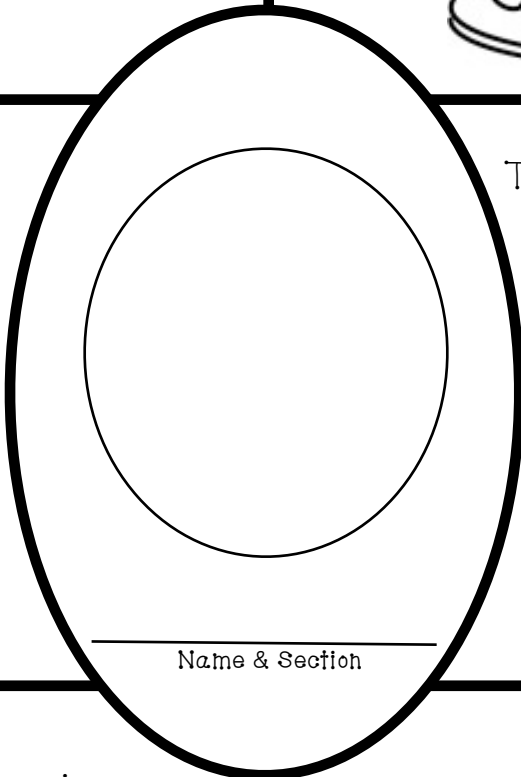

There are \_\_\_\_\_ people  
in my family.

\_\_\_\_\_ adults

\_\_\_\_\_ children

$$\underline{\quad} \text{ adults} + \underline{\quad} \text{ children} = \underline{\quad} \text{ total}$$

\_\_\_\_\_  
Name & Section

My favorite number is

\_\_\_\_\_

Odd or even

Tens	Ones

I have lost \_\_\_\_\_ teeth so far.

# Partially Filled 120 Chart

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Score: \_\_\_\_\_

Fill in the blanks.

	2			5				9	
11	12				16				20
						27			
31			34			37			
	42								
		53		55					
					66		68		
				75					
	82						88	89	
						97		99	
						107			
				115	116				

Name: \_\_\_\_\_

# Before and After Friends!

Can you find the numbers before and after?

example

Before		After
<b>55</b>	<b>56</b>	<b>57</b>

Before		After
	<b>83</b>	

	<b>36</b>	
--	-----------	--

	<b>29</b>	
--	-----------	--

	<b>8</b>
