

A Message From IT

New students need to sign the iPad contract. Once that is done, we will then proceed with the setup of their new iPad.

Their parents need to:

- [Read the contract](#)
- [Sign the consent form](#) (iPad Contract)

The school will not issue iPads without a signed contract.

Student & Parent Emails

Students: please be sure that we have emails for you in Archie. This will allow students and parents to receive emails sent by staff and teachers. You can do this by:

1. Login to Archie
2. Click on your Username located on the top right corner
3. School Email = this is where the student email address should be
4. Personal Email = this is where the parent email should be
5. Click SUBMIT
