

Purpose

Your goal is to write or present a short pitch (like a mini-speech or persuasive letter) explaining why I should add 10 points to your quiz grade.

Requirements: Your pitch must include –

- Clear Claim: State directly what you are asking for (“I believe I should earn 10 extra points because...”).
- Reasoning: Give me at ***least 2 strong reasons*** that support your claim (effort, learning, improvement, fairness, etc.).
- Evidence: Provide examples to back up your reasoning (study habits, participation, completion of all classwork, or a mistake you understand now).
- Counterargument: Mention why I might not give you points and then counter it

Conclusion: Restate your request and end with a strong closing line.

Format Options :You may choose one of the following formats –

- A one-paragraph written pitch (6–8 sentences).
- A short speech (about 1 minute).
- A creative version (poster, poem, or skit) as long as it meets all requirements above.

Tone & Style

- Be respectful (no whining, complaining, or blaming others)
- Be persuasive (use strong word choice, confident tone, and logical flow)
- Be original (don’t all copy the same reasons).
