Greek Math

August/September

Mrs. Lena's Class

Dear Parents,

As you all know, I am covering Greek Math class until Mr. Stamatios joins the school. If you have any questions regarding Greek Math, please email Mrs. Jessica Varela: jessica.varela@archimedean.org

During the past weeks, the students have reviewed numbers, addition with one and two digits, and subtraction with one and two digits using Greek language immersion.

Attached you will find the lesson plan for the next two weeks.

Thank you for your support,

Mrs. Lena

Quiz

September 18th
Attached is the practice
sheet.

Homework

No Homework

09.5.2025

Lesson Plan for two weeks

09-8 / 09-12

09-15 / 09-19

Review numbers from 1-100
before and after
bigger - smaller

writing the numbers with greek letters
splitting numbers, going to the next ten
addition with one digit

09.5.2025

Dear Parents,

Please practice with your kids the numbers in Greek,

1 - Ένα - ena

2 - Δύο - theo

3 - Τρία - tria

4 - Τέσσερα - tesera

5 - Πέντε - pente

6 - Έξι - exi

7 - Έπτα - epta

8 - Οκτώ - okto

9 - Έννεα - ennea

10 - Δέκα - deka

- 11 - Ενδεκά - Eudeka
12 - Δώδεκα - dodeka
20 - Εικοσι - Icosi
30 - Τριάντα - Trianta
40 - Σαραντα - Saranta
50 - Μενήντα - Pevinta
60 - Εξήντα - Exiuta
70 - Εβδομήντα - Euthominta
80 - Ογδόντα - Ogthanta
90 - Ενενήντα - Eneninta
100 - Εκατό - Ekato

No homework for 2 weeks.

I'll give a Quiz with the numbers
on Thursday September 18th

The Quiz will be like.

1. 3 (they have to write with the greek letter)

OR.

2. Εννέα (they have to read and they will
write the number.)

This is a Review from last year.

Thank you

Ms. Leva
