

CLASS NEWS

Mrs. Boxer's Science Class

Week Of September 8-12

OUR LEARNING

This week in science class, we are continuing to explore the practice of science as we learn about scientists, science tools and science safety tools.

Scholars will learn all about the different tools scientists use in the real world and will have a chance to practice using some of them.

EVENTS

- Archimedean Academy Open House:
Tuesday,
September 9th
6-8 pm

Homework

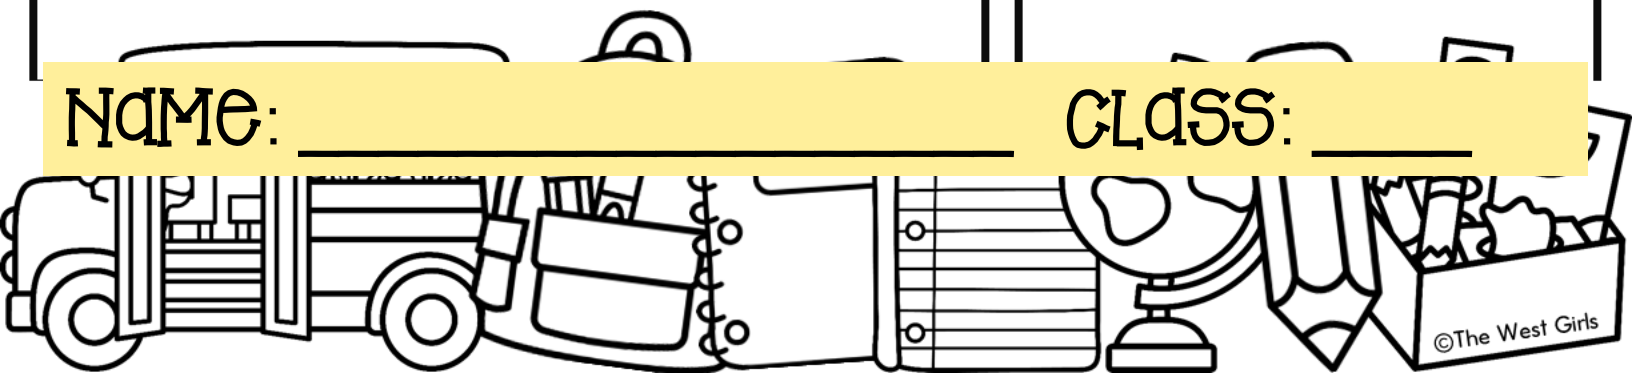

-All pages are to be completed and turned in on the due date in science folder.
