HW Chapter 4 YouTube Video Notes (7 videos total)

Every week I will post 5–7 YouTube videos as homework.

These Youtube homework are MANDATORY

Students are always expected to submit handwritten notes

Notes Requirements for Each Video:

1. Write the title of the video.
2. Include the definition(s) covered.
3. Copy down any important formulas.
4. Provide at least 2 examples from the video, worked out completely.

Reminder: Neat, complete notes are part of your grade.

1) Math Antics - The Number Line

<https://youtu.be/RSJOTBJKNA?si=IEavYSb9uu3urp61>

2) How to Draw Fractions on a Number Line (Practice Problems Included)

<https://youtu.be/fbsL59vDuow?si=gVg6YI4fj5KJDH1R>

3) Comparing Integers | How to Compare Positive and Negative Integers

https://youtu.be/BgrRG3sMHRE?si=ETigMpSf82Gv4_PV

4) Adding Integers Using a Number Line

<https://youtu.be/3LUTYhmltOY?si=G61OWE-f12kWljzC>

5) Subtracting Integers | How to Subtract Positive and Negative Integers

<https://youtu.be/1DKWG5CBeek?si=99VI6up0PzhWSh65>

6) Math Antics - Comparing Fractions
