

Bear Parents,

Last week students completed an i-Ready diagnostic exam that measures their knowledge and abilities in reading skills and comprehension. It also gives us insight on what they need to learn.

They will be assigned 45 minutes per week in reading that is due every Friday morning for a completion grade.

An i-Ready login card has been or will be stapled to their blue homework folder. We will begin assigning this for homework starting next week.

To log into i-Ready:

Step 1: Go to <https://login.i-ready.com/>

Press on the little monster to the right-hand side that states: **K-1 Login Card**

Step 2: Type in the class code number (there are 6 digits to input and it is found stapled to blue folder.)

Step 3: Click on the picture code that matches the login card that was given to you.

Step 4: Press on the green button that starts the lesson. (Sometimes there may be blue ones if it is teacher assigned.)

Inside the program there is the **"To Do"** section, that is where you can track the minutes completed. Sometimes there may be a blue box that indicates it is a personalized lesson that I am assigning for extra help or perhaps something that correlates with the curriculum for that week. Otherwise, the green box will be there for the student to do the lesson that was tailored just for them based on lessons passed and diagnostic testing scores.

Please let me know if you have any questions.

Sincerely,

Mrs. Jazmin

i-Ready® RUBRIC

i-Ready weekly time completion RUBRIC Target: 45 minutes

E	45-40 Minutes	✅ Goal met! Excellent time management and focus.
G	39-34 Minutes	👍 Very close to the goal. Great job, just a bit more next time!
S	33-28 Minutes	⚠️ Almost there. Try to stay on task a bit longer next time.
M	27-22 Minutes	🚧 Below goal. Needs improvement in staying focused or managing time.
U	21-0 Minutes	❌ Did not meet expectations. Let's work on building a routine.
