

CLASS NEWS

Ms. Boxer's Science Class

Week of October 6-10

OUR LEARNING

This week in science class, we are beginning to work on our first STEM challenge. We will be working collaboratively in groups as we learn about the STEM process.

Scholars will learn all about gravity and the engineering process as they work together to design and build cup towers.

STEM is lots of FUN! 😎

EVENTS

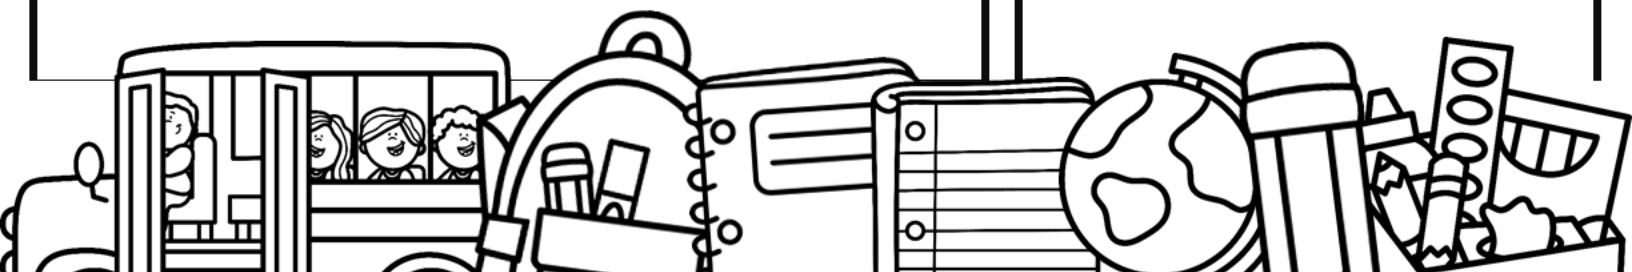

- World Heritage Day- October 10th
- Quarter 1 ends- October 17th

Homework

-All pages are to be completed and turned in on Monday, October 13th in the Yellow folder.

REMINDERS

-Homework due 10/13 in yellow science folder

Name: _____

Section: _____

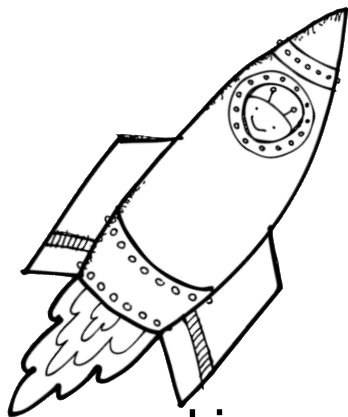

Name: _____

GRAVITY

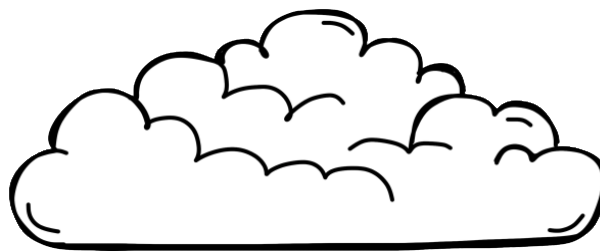

Color the objects below the following colors:

GREEN: objects that are found in the sky and return to Earth

BLUE: objects that are found in the sky and do not come back to Earth

spaceship

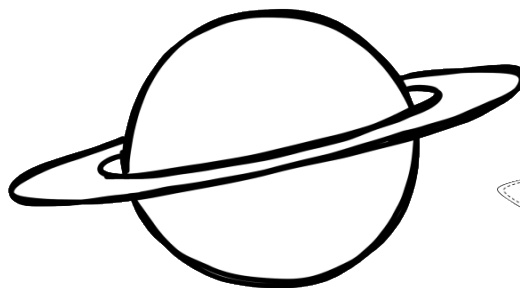

cloud

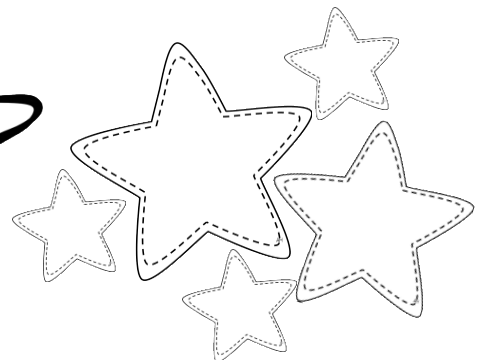

hot air balloon

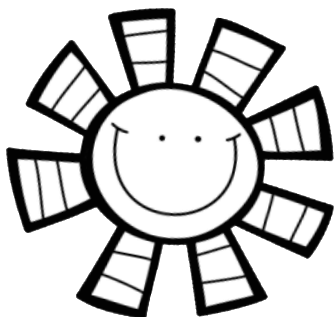

bird

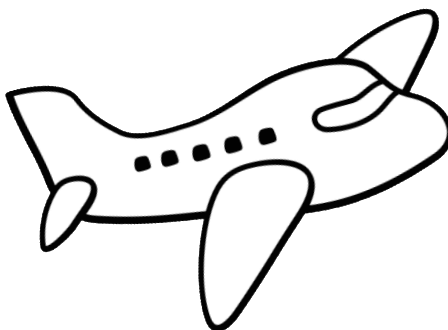

planet

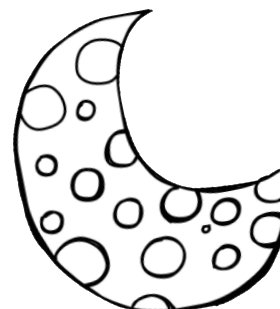

stars

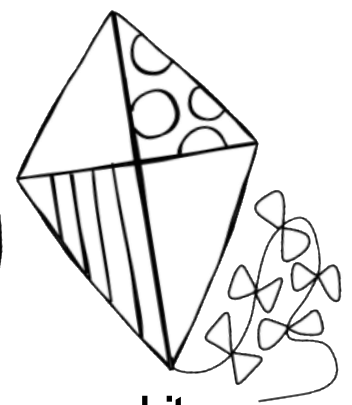

sun

airplane

moon

kite

Name: _____ Gravity

Draw four pictures of gravity in action

Gravity

A force that pulls things down.

Name: _____ Date: _____

What Comes Up, Must Come Down

Directions: Cut and paste to tell how each object is affected by gravity.

Stays in the Sky:

Gravity Pulls it Down:
