

Famous Scientist Report Page

Extra Credit Opportunity

This assignment is fully optional and can only help you. Even if you do “bad” on this, it just won’t boost your grade as much. So PLEASE follow the few directions I give here as you complete this easy A.

Directions: Research a scientist from any time-period that discovered something you find interesting or cool. Then, download and complete the Report Page from Resources on Archie with all the information it asks for. Make sure you do the following:

- Use **COMPLETE sentences** for all parts of the report.
- Do **NOT** pick entertainment/internet scientists (ex. Bill Nye, Neil deGrasse Tyson, Hank Green, NileRed, etc.). Don’t get me wrong, they’re cool and have done wonderful things, but I want you to find new people and learn more about how people have really changed our understanding of the world with their own research.
- Turn in the report page either physically or in Archie by **October 16th**
