

Name: _____ Section: _____

First Grade

American Math Homework #9

This week in class, we will begin **Chapter 3: Comparing Numbers**. We will practice using greater than, less than, and equal to symbols, as well as ordering numbers from least to greatest and greatest to least on a number line.

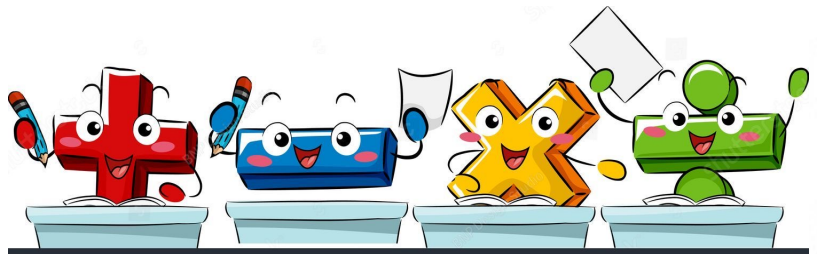

There will be a quiz on **Thursday, October 23rd**, covering this week's material. To review for the quiz, scholars can use this week's homework, Cinemath, the IXL lessons below, as well as additional resources posted on Archie.

Scholars have access to the IXL math platform for additional practice and reinforcement of the daily lesson. There is no limit to how many times scholars can review the lessons. Below, please find practice modules scholars can complete from home to develop a deeper understanding of the daily lesson.

- BB.1 - BB.3 - BB.5 - BB. Compare numbers using number lines
- BB.2 - BB.4 - BB.6

Vocabulary

- Greater than
- Less than
- Equal to
- Number Line

Notes

Students **MUST** prove and show all their work. If additional space is needed, please feel free to attach lined paper to the homework packet. **Failure to show your work will result in a lower grade.** Please complete the homework to the best of your abilities.

<u>Monday</u>	October 20 th – No homework	_____
<u>Tuesday</u>	October 21 st – Page 125	_____
<u>Wednesday</u>	October 22 nd – Page 131	_____
<u>Thursday</u>	October 23 rd – No homework	_____

Name _____

Use Symbols to Compare

Write $<$, $>$, or $=$.

Draw a quick picture if you need to.

1.

$$38 \bigcirc 31$$

2.

$$26 \bigcirc 42$$

3.

$$88 \bigcirc 78$$

4.

$$77 \bigcirc 77$$

5.

$$91 \bigcirc 89$$

6.

$$80 \bigcirc 82$$

7.

$$33 \bigcirc 44$$

8.

$$51 \bigcirc 60$$

Problem Solving

Write $<$, $>$, or $=$ to solve. Circle your answer.

9. Trace has 26 shells. Heba has 29 shells. Who has a greater number of shells?

Trace Heba

$$29 \bigcirc 26$$

10. Write $<$, $>$, or $=$ to compare the numbers.

Camila has 74 stickers.
Kayla has 47 stickers.

$$74 \bigcirc 47$$

Name _____

Greater Than or Less Than

Make a model to solve.

1. Emira has these number cards. She gives away cards with numbers less than 34 or greater than 38. Cross those out. Which number cards does Emira have now?

32 33 35 37 39

Emira has number cards _____.

.....

2. Ron has these number cards. He keeps the cards with numbers greater than 60 or less than 56. Circle the number cards Ron keeps.

54 57 58 59 61

Ron keeps number cards _____.

.....

3. Juan will cross out the numbers that are less than 75 or greater than 80. Circle the numbers that will be left.

79 73 76 74 82

Name _____

Order Numbers on an Open Number Line

Use place value and the number line to order the numbers. Then write the numbers in order.

1. 24 13 55

_____ _____ _____
greatest least

2. 72 93 54

_____ _____ _____
least greatest

3. 42 33 64

_____ _____ _____
greatest least

Problem Solving

Write or draw to explain.

4. Trini saved 63 pennies. Sam saved 83 pennies and Cristiano saved 33 pennies. Write the number of pennies saved in order from least to greatest.

_____ _____ _____
least greatest
